Dated this the 22nd day of August, 2007

J U D G M E N T

Learned Government Pleader, after getting instructions from respondent No.2, submits that two vacancies are in fact available for direct recruitment and that they have already been reported to the Commission along with the other vacancies set apart for other categories. She further submits that the above two vacancies which are available for direct recruitment are substantive, and they can be advised.

Therefore, the writ petition is disposed of with a direction to the Commission to advise eligible candidates for the two vacancies, which are available for direct recruits (if not already advised) in accordance with the rules of communal reservation, rotation etc. This shall be done, as expeditiously as possible, at any rate, within one month from the date of receipt of a copy of this judgment, if there is no other legal impediment. On receipt of the advice from the Commission, the appointing authority shall issue orders of appointment to the eligible candidates, within one month from the date of receipt thereof.

As far as the 2nd prayer in the writ petition is concerned, it is submitted by the learned Government Pleader that 22 vacancies had already been reported as could be seen from Ext.P3. Therefore no further orders are necessary in this regard.
